

FEATURE: Log in to my account

GIVEN I'm on the homepage

WHEN I click on my profile icon

THEN the login menu dropdown will show

WHEN I enter my correct username and password

AND I press "log in"

FEATURE: bidding

In order to win an object, users should be able to place a higher bid than the previous bidder.

Scenario: place a higher bid

GIVEN I'm logged in to my account

AND I'm on an objects specific page (detail page)

WHEN I type the desired amount in the "place bid" holder

AND the amount is higher than the previous bid

THEN my new bid should show as the highest bid

Feature: Detail page for objects.

Scenario: User wants to see more information and/or pictures of specific object

GIVEN I am on main page or auction page

WHEN I click on a product

THEN I will be redirected to the detail page
